

REPORT USAGE.

Please fill out the Report Usage form completely. You will then in return receive an Invoice and License for the reported usage. License Applications (one per production) must be completely filled out and submitted to us prior to broadcast or distribution of the production. You can download the License Application on line and send or fax to us.

Failure to report usage within 30 days of synchronization may result in penalties which will substantially increase the license fee. If you have any questions or comments how to fill out this form, please use the comments field or call us directly at (323) 698-9615.
